“ I met, and worked with Mike at L-3 .. Mike loved to Bust chops ,and did it well... I remember the first time we met ,, I was like who is this Guy ,and what is his deal as he yelled at me with a straight face turned around only to walk away... He came back a couple minutes later laughing hysterically and shook my hand and introduced himself... We got to know each other pretty well ,and even spent sometime on second shift together ... I remember lots of Sarcasm,, Movies and Tv series talk , Family, talk , and loved telling stories about his Grand kids ...I'll always remember Mike as a Good Man .. A Solid Man , and a Guy you'd like to keep on your side because he'd tell you like it was if you weren't lol... Mike thanks for being a friend to me , and always being good to me ...Enjoy your New Journey with God Luv ya Buddy !
