“ *Mike and I knew each other when we lived in Miami. He cared a lot about other people. Mike and I use to write each other. He gave me a lot of support in dealing with my problems. He was one of the funniest people who knew. Mike would leave all of us in stitches. In looking at the pictures Mike really enjoyed life and cared for his family dearly. He got a kick out of my New England accent. He was one of the biggest Eagles fans I knew. Him and I often compared them with the Patriots. Mike and I lost touch. Recently I was going to get back in touch with him. I was very sad to learn that he'd been so sick and passed away. I have some really good memories of him and I in Miami. I'm glad that Mike is no longer suffering. My thoughts and prayers go out to his family and friends. R.I.P. My friend-Peter, from Newburyport, Mass.*

*Mike and I knew each other when we both lived in Miami. He cared a lot about other people. Mike wrote to me a couple of times giving me a lot of support in dealing with my problems. He was one of the funniest people who I knew. Mike had a good sense of humor. In looking at the pictures I can tell he had a good life and was loved by many people. When he died I had lost touch with him. I'd always hoped him and I could touch base again. Mike was one of the biggest Eagles fans I knew. Him and I use to compare them with the Patriots. I have good memories of him in Miami. I was very sad to find out that he was so sick. Also, that he passed away. My thoughts and prayers go out to his family and friends. R.I.P. My friend-Pete H. from Boston.*

“ My dear nephew, was such a fighter , up till the very end. We will miss his great smile and contagious laugh. HE could always manage to make someone smile if the were down. With all he had been through, he always had the quick joke, no matter what he was going through. He has taught our family the meaning of "family" , as it was the most important thing to him... WE will all miss you. So much, and yet we have a feeling of comfort , just knowing you are with the Heavenly Father. With your mother and your POPPOP. No more suffering for you, Mike. R I P. My dear nephew..

“ Our Nephew, we will miss you so much. WE will always remember you as the child who never let your health issue interfere with your love for life. having fun and playing sports , although the dr. Said NO. Nothing stopped you from living your life.. Your gorgeous smile and ways to make others laugh was an amazing ability you had, Even if you were suffering, your empathy towards others was a wonderful,beautiful part of you that drew all near to you.. All the family are heartbroken as I am sure all your special nurses at University of Penn. , who took wonderful care while you were hospitalized. R I P dear Mikey.

“ Michael was a caring guy w/a sweet smile. Wyatt & Rory, his nephews, loved to be around him. Unfortunately, we didn't get to see him as often as we liked. We will treasure the times we had.
