“ *To the Madera/Secor families,*

Suzie Epstein and her partner, Bill Holt, send you are heartfelt sympathy and condolences. Nancy's two passions were shared by Bill, who raced sailboats "up the Bay" out of Island Heights Yacht Club and beyond, and both of us enjoyed skiing and skiing the deep in the Alpine conditions in Europe and out west. So, we think that Nancy had a great life and made wonderful choices. We wish you all fond memories of her.
