“ *I'm sorry to read about Natalie's death. We grew up together. Among our circle of friends, we knew her as "Sis." In many ways, she was like a sister. Even as a child, she was kind and generous. I'm happy to have known her, and will remember her fondly always*

“ *Natalie was the most wonderful friend, confident and the most motivational person I ever met. She was there for everyone. Everyone was important She loved her furry family, small , big and tall but Courtney was always the number one love of her life. Natalie was intelligent and creative and her creations are all over my house. I am so thankful that we had time to make so many memories. Be well my friend ... until we see each other again.*

“ *My deepest sympathy to Natalie's family for their loss. I had the pleasure of working with Natalie at BCSSSD before she retired. She was so proud of her daughter, Courtney! Natalie also shared many delightful stories of her beloved cat, various home renovations and crafts. She was so creative, a great listener and always happy to help. I truly appreciate having had the opportunity to work with her ~ Marsha*

“ *Treasured friend, tireless leader, kind mentor, gracious hostess, talented knitter, quilter, cook, baker, and dolls house miniaturist.*

Devoted Mother, doting Grandmother - loving and generous to all. Known and loved by many.

Also adored by her cats, Penney and Delia.

Natalie brought me to tears on more than one occasion by her incredible generosity. She was always thinking of others.

I treasure my memory of her looking absolutely radiant as she spoke about her family this early summer.

Glow on, my friend. From your friend, Marj

“ *Every once in awhile, you cross paths in life with someone who has a profound impact on you. Natalie was one of those people for me. She was not only my mentor at BCSSSD, but one of those friends who was more like family. She had the biggest heart. She was smart. Oh, so funny. And she had the best laugh! We saw each other through some really tough days and I will be forever grateful for her presence in my life.*

Rest in peace, sweet Natalie. Sending my deepest condolences to her pride and joy, Courtney, and family. 🙏❤️
