“ *I recently heard about the passing of a dear old friend, Paul Halbe. I was shocked and saddened to hear the news. One of the last times we spoke we talked about the passing of our dear friend Mike Coyle. I have some many fond memories of times with Paul in high school, college and beyond. These included nights at the old Mc Glines, trips in the '50 Ford, basketball games at the old JCC, and many more. Paul had a nickname for everyone, and was second to none in telling a good story.... always genuine, authentic and caring. My very best to Dave and and the Hennessy Family.*

*A great guy who will truly be missed by many...*

“ *So sorry to hear of the loss of Paul. He was one hell of a guy and a friend. It's been a very long time since I have seen him but I have nothing but good memories of him. My sympathy and thoughts are with Dave and the rest of the Halbe family. God Bless*

*Ahh, Yo Bud!*

*You were one of a kind! Lots of great times and fond memories. From “tying on the feedbag” to “McGlones” to “the Tower”, just too many to list. You were always willing to help out and always had a kind word. Always taking everything in stride and never getting rattled was a trademark I’ll always remember. I will miss your unique sense of humor ... and those typed Christmas cards.*

*Thank you for your lifetime of service to others and especially your years of service to the CPD and the residents of Collingswood.*

*D.B.W. Badge #9*

*To David & Family,*

*You know what Paul and your family have meant to us. Please let us know if there’s anything that we can do and know that you and your family are in our thoughts and prayers.*

“ *My condolences to the entire Halbe Family and especially David. Paul and I shared many experiences over the past 50 years and even though we had not seen each other often over the past decade I always enjoyed catching up with him when we did connect. I will carry warm memories forward with me as I enjoyed his wit and humor. Tom Deeney (Paul always called me Boss Dart from our early days in the original McGlone's and I called him Boss Dent from his auto body night school days.)*
