“ *Some of my most cherished childhood memories include your Mom and the time I spent with her learning to make home made pretzels in your kitchen (much to Robert's horror.) A delightfully graceful woman, please except condolences on behalf of me and my Mother, Lois McGann.*

“ Carol and I were so sad to hear of Pearl's passing , she was indeed a dear friend.I will always remember the many fun times we had after a day of Skiing when Pearl would play the piano and we all would join together and have a song fest. She was really special to me.
