“ I am so sorry to hear of Phil's passing. I spoke to him not long ago and was hoping to see him again after many years. We were co-workers at Sun Life. Phil was working there full time in the 1960's and also working at night in his own business and going to school as well. My memories of him are vivid. He was well-read, intelligent, had an extraordinary humor and an unflinching passion for justice. He grew up tough in in the streets of Camden but was always a gentleman. He always spoke well of his wife and his children. God love him.

“ Good Morning Family of Phil. I did not realize that Phil had passed on to glory, (Praise God!). However, Phil and I established a friendship at my and his former office 210 Haddon Avenue, Westmont, NJ. I just want to say to you family he was a wonderful man and a great person to know. You certainly have a lot of wonderful memories of him and should always cherish them. In closing, I know God was proud of him and he is in heaven with our Father. One day we will see him again. Keeping you in our prayers.

“ Many of us Outdoor Club members will miss Phil. He has been a source of laughter and crazy fun on our hikes and backpack trips. He encouraged us to clean up the trash and pushed us to our limits on many trips. I personally have known Phil for over 30 years and I will miss seeing him at our lunch spots with his dog Abby.

My thoughts are with his family and friends. Pat Burton

“ Dear Mrs. Iapalucci and Family:

My sincerest condolences to you! Phil was one if the sweetest people I've ever had the privilege to meet. The short time that I worked for him after he retired but was still handling municipal matters was very fulfilling. He always made me laugh with his stories and was just a pleasure to be around. I am sorry that I didn't up to see him but I will always carry him in my heart!

My prayers are with you!

Sincerely,
