“ I feel so lucky to have met Polly and got to hear some great stories of the old LBI. I would have to describe her as a strong, brave, independent woman & mom, who loved life! She was always fun to be around. She loved the pets and never held back to "zing" Dennis every time he teased her! Bob, you are very lucky to have such a wonderful Mom and your love showed for her everyday in all you did for her. I will always think of her when I ride by your LBI home and smile that I was one of the fortunate ones to have met her. My deepest sympathy goes out to the family. I know this is a very difficult time, but think of all the great memories you have had and hold close to your heart. My thoughts are with you.

“ Bob ~ our deepest sympathies on the loss of your mother. Our prayers go out to you and your family. She will always remain in your hearts and in your memories and the saying is so true ~ those that have passed are the happy ones, for they are going to a better place ~ it's the ones they leave behind that are sad.
