“ *We send our sincere condolences and our sincere sympathies on the passing of a great gentleman.
Fred & I(Elaine) Weber were friends and neighbors of Ray. We admired his strong will and happy demeanor. We shared many interesting and enlightening conversations with him during his numerous walks over the years.
Please know Ray will be sorely missed. He was one of a kind.*

“ *To the Bendel Family,*

Our hearts are saddened at hearing of the passing of your father. He was a WONDERFUL neighbor and friend during the time we lived on Lancaster Drive. He will always be remembered for his smile, bits of wisdom and our look on life! and of course his walks around the block.
