“ *Mr. Immler was our church youth choir director when I was a girl in high school. He was a true gentleman with encouragement to all of his choir members. I needed to tell you how much I admired and respected him. When my husband and I ran into him a few years ago at a concert, I was so pleased to meet him again. I am sure you know how respected and admired he was throughout his life and I just needed to tell you how he made my teenaged years more pleasant and how he gave me confidence when I needed it. My husband had a procedure at Lady of Lourdes hospital this morning, which made it impossible for me to attend the Memorial Service. God bless you.*
