“ *I will always have fond memories of the elegant and lovely Mrs. Willison and chatting with her in the sun room as David and I prepare to head out somewhere. She always added some comedic element into her stories about teaching or her students at Glassboro, an experience or new person she encountered at the casino or about a dinner in the city. Condolences to the sweet Willison family for their loss.*

“ *What an amazing friend. To have a sense of humor til the end tells alot about a person. Selfless. My love to the family. I was blessed to have known her. She will be missed on this side and embraced on the other. Love you Ei.
