“ *Bob and Susan, Adam and Katie, a wonderful family. We were so privileged to have known you for almost thirty years and been neighbors for over twenty. When you moved, the neighborhood was never the same. I'll always remember when we moved in--you invited us to dinner, and we ate on your grand screened porch. What a wonderful welcome it was. No one could be a dearer friend to me than Susan. We shared day-to-day activities and dreams while we had our favorite pancake breakfasts and our daily morning walks. Bob was devoted to his family and set a real example of dedication and responsibility to his work. We were thrilled when he found his passion for teaching. Bob was a friend and best neighbor anyone could have. I will never forget when I had a migraine headache and couldn't even open the medicine bottle. I called the Gipes, and Bob was out the door and on his way over before I could get there; he truly rescued me. We missed you when you moved away but enjoyed our visits so. I can't believe that you are gone. We will try to take care of Susan.*

“ *There are no words that can take away your pain but please accept my most sincere condolences. Bob always had an open mind and an open heart. He will never be able to be replaed, he was one of the best teachers. Bob will be greatly missed, he was always there for teachers and students alike, especially when we had a new program to learn, his patience was boundless! He was true scholar and gentleman. With my love and gratitude Scott Hubbard teacher at the Cunningham Alternative School.*

“ My deepest sympathy to the Gipe family. I first met Robert two years ago while teaching Pre-Algebra at Salem Community College. We both taught in the same classroom one semester. When my class ended for the day, his class would begin. Robert was always kind, caring, and helpful to those around him. He would frequently stop by my math class to see how I was doing and chat with me. I shared with him my passion for teaching and my frustration over the limited number of teaching positions and the flood of qualified applicants. Robert encouraged me and told me not to give up on my dream. Last year, I finally obtained a teaching position. Robert was so excited for me. He will be deeply missed by the students, faculty, and staff at Salem Community College.
