“ *I'm just finding out about Dr. Ives passing. I'm saddened but I have great memories of him. I was his dental tech at the Naval Annex in Arlington, Va. He was and had always been my favorite dentist to work with. We were always the last to leave daily; he was so patient and always put his patients first. My condolences to his family.*

“ *We are so saddened to hear of Bob's passing. Several fond memories from spending time with Bob at Camp LeJeune NC in early 80s but his kind and patient demeanor are what stand out the most. He was a devoted and loving husband and father as was evidenced in his actions and many conversations we had with Bob and Helen.*

Our sincere sympathy to all of you at this time.
