“ I have such wonderful memories of Pops! All of my memories of Pops bring me right his heart. It was always about his family! He had a special place is in heart for each and every one of us...whether blood relative or just someone that the Perry family brought in as their own. He loved great food, great wine (or martinis at Reds) and laughs that lasted a lifetime! Pops' love, generosity and sense of humor was what brought people to him and made him not only successful as a businessman, but as a husband, father, grandfather and friend. Pops will be missed dearly! 💋❤️💋
