*You did your parents proud, Bobby! You became a wonderful husband, father, grandfather, brother, cousin, friend and neighbor, etc. Mixed blessing, as it makes it harder on the family and friends you leave behind. Thank you for all the smiles and laughs whenever I was blessed with being able to spend time with you. My prayers, thoughts, heart and sympathies to all of those that meant so much to you. Your cousin, Judy*

“ *I will always have fond memories of summer parties with the extended family at the Powell's house. I'll also never forget crabbing with Bob & Bonnie (and the feisty crab who didn't like me pointing at it)! Our deepest sympathies to the whole Powell family and all the friends and family who loved (Uncle) Bob.*

“ *I talked to Bobby and his dad, at his dads house. I had not seen him for years. He showed me that his dad hired someone to spray paint his garage roof. We talked about my mom and dad, Mabel and Russ Lingle, and about his dad. It was a great visit. You have our deepest condolences. Bobby will be missed. I will not be able to make the services as I have a scheduled procedure on my left foot that I can not cancel. Dan and Nettie Lingle.*

“ I, and all Bobby's neighbors, will miss him so much. We first came to know him as a wonderfully thoughtful and caring son who visited daily his rapidly declining father to ensure that his needs were being met; that he was safe. After his father's passing, he and Bonnie took over as the ones who were always there to help out. The remarkable thing was, Bobby seemed to know who needed what before we knew we needed it. He was there for all of us, quietly helping, without any thought of taking credit or expecting repayment.

We are so fortunate to have had the honor and joy of knowing Robert Powell, but unfortunately, for so short a time. He will be irreplaceable, for the neighbors, and more sadly for his loving and beloved family, particularly his adored granddaughters. Our hearts go out to all of them.

“ One memory I have is how Mr P would come to work to bring his girls flowers every Valentines Day. Always had a smile on his face and to me it was so tender and sweet.

My heart goes out to Bonnie, Brenda, Kim and the entire family. He will watch over you always, heavens gardens will be much greener

“ *I always knew Bob as an earnest, hardworking role model type of man. I was fortunate to have the ability to chat with Bob a few years back about his love of being anointed with grandparent status. He had taken to the pace of being less strict with the responsibility for unrestricted permissiveness that parenting doesn't allow for - he relished that role. Relished it as much as being a husband, parent and provider but acknowledged it came with a lot more perks.*

*His loss cant begin to be addressed by a few words on a page but my thoughts are with his wife and family in this time of mourning.*

*My thoughts are with all of the souls that Uncle Bob's soul touched. He was a great man who had a keen sense of humor, a tender heart, and incredible integrity. I always will keep a special place in my heart in remembrance of his kindness towards me.*
