“ I'm so sorry for your loss. Having a loved one fall asleep in death is painful. Be assured of God's concern for you. May he prove to be a strength and support in the days ahead (1 Peter 5:7).

“ *All I can think of is being 5 years old following behind you at the beach. Tracing your footprints in the sand. Trying to walk like a man. Well now the years have gone and I've grown from the seed you've sown. I didn't think there'd be so many steps I'd have to learn on my own. Well I was young and didn't know what to do, when I saw your best steps stolen away from you. Now I'll do what I can. I'll walk like a man...I love you Dad.*

“ My dad co signed my first car. A 1979 Trans Am. He said, why do you need a car like this? A car goes from point A to point B. Every Saturday morning I would hear my car start up and go down the street. I would say , hey dad thought you didn't like the car. He would say it was blocking his car in the driveway. We both knew he loved taking that car for drives. I would just smile.
