“ *Ron was the first person to welcome me at Mill Run Commons 16 years ago. Sometimes he would be walking his dog when I came home from work and we would have a brief conversation. My thoughts and prayers are with the family. Ron will be missed and remembered.*

“ *You lived your truth and in that I learned to find my own strength. I thought of you after the historic ruling this week only to find you gone. Rest in peace.*

“ *Ron was a good neighbor and friend. We shared funny stories about life in general but mostly about his "furbaby companion, Sassy. He loved that little dog and would be out walking her no matter what. He loved our "furbaby, Sarah" and would often walk down to see us when we were out back. You will be missed Ron. R.I.P. Our thoughts and prayers are with his family. Jack & Dottie Oppmann*
