“ *I was a patient volunteer for Rosalie from Dec. 2011 to Dec. 2012. She told me this was her third time on hospice and we kind of joked about it. We had wonderful conversations about many topics. She was a painter and I painted, she liked cats and I have two cats, and we just got along wonderfully. I looked forward to visiting with her and she appreciated my coming to see her. My memories of Rosalie will always be with me as she touched my heart and lifted my spirit. She never complained to me about her physical issues of which she had many.*

*With deep sympathy,*

*Love in Christ,*
