“ Dear Lisa, I learned, through Sunny, of your beloved Mom's sudden passing Please know that, in my own way, I grieve with you and pray that you will take all the time you need to heal, as you go through this heart rending grief. You and your family will be continually in my thoughts and prayers, as you endure your loss of such a warm, loving mother and woman. God be with you all. With love and hugs, Sunny's Mom, Geri
