“ *My first music teacher, much loved. She was always kind and encouraging to me, even when I was basically sight-reading my piano lessons. I am sure she touched the lives of many young musicians.*

“ *"MissyE" - Thank you for all the musical joys you imparted to so many of us (young and old) in your years at FUMC in Moorestown (including, for me, piano and organ lessons as well as choir). It was also special that you helped me attend your alma mater (The College of Wooster south of Cleveland, Ohio). It was so great that you had so many wonderful years of marriage to Nathan (101 in 2023 & still going strong) once you moved to Roanoke. You will be remembered with much love! Lynn Leggoe O'Connell*
