“ I remember visiting Shi and Paul's apartment in Philadelphia, and later visits to their house in Moorestown, seeing David as a toddler all the way to grown up, and later all the family gatherings in Cherry Hill. Shi was often Mom's "sister" for travel and much more. I cherish memories of their New Year's party, my 65th birthday at the Wawona Hotel in Yosemite with them and other family, Kevin and Alyssa's weddings, many dinners/BBQs in their backyard, etc., etc, etc. Wonderful memories of a wonderful person.

Love,
Lois

“ Aunt Shi always had a smile on her face. The picture on this site is perfect—showing her in younger years with a smile that shows her wonderful, friendly, accepting of all personality. She was part of our family because her husband Paul was our father's first cousin but she became our Mother's best friend as well. She is the last of The Greatest Generation of our extended family to pass away. We will all miss you so much...rest in peace! Diane W.
