“ Shirley was an amazing woman and I’m grateful you allowed me to help with her care! I will miss her dearly all her stories but especially how she just enjoyed seeing her friend of over 60 years Leah! They would hold hands like best friends in the back seat of my car! This is a picture of the day we planted a veggie/flower garden in her back yard! I’m so sorry for your loss and again thank you for allowing me to be her caregiver

“ Shirley was my next door neighbor for over the last three years. She put up with my yelling at the TV during football season and singing loud all the time. She loved her visits with my grandson as he lived visiting her and getting cookies from her cookie jar. She will be remembered dearly by myself as well as everyone whose life she touched. I was lucky to have her as my neighbor and she will be missed.
