“ I miss you. You were my family and my best friend. I wish we played cards more. I loved driving around with you and playing games and watching TV. I miss you so much. I wish you were here. I'm sorry we can't stay in the house. I know you're not in pain anymore and you're watching over us. I'll find you in another life. I love you

“ Sonia was an old friend of my family(Aiello) . I remember Sonia growing up in Moorestown. Her family lived next door to my family on Camden Avenue in Moorestown. Sonia's daughter Heidi is a good friend of my daughter Jeannette Schorn. Jeannette spent many days and nights with the Costellos! Rest In Peace Sonia! Kathy (Aiello) McGlinchey

“ Mom, I first met you in November of 2013. Before I met you, Heidi told me that you were a stubborn German and did not approve of our relationship. I proved to you over the years that I love your daughter more than anything in the world and you came not only to accept and approve of our relationship, but you loved me as one of your own. Your passing left a void in me that will never be filled. I hope you are flying high with the angels. Thank you for all of the love, conversations and laughs for the past 8 years. I promise to take care of Heidi and love her unconditionally. Together we will get through your loss, but we will never get over it. I love you Mom, rest in peace. Love, Janet Costello ❤️
