Just found out today that you passed over dearest Goober. This is what you looked like when I met you at Rutgers in the fall of 1968. Loved you since then. God willing, I will see you on the other side. Love conquers all. Lorraine

He was probably the most intelligent person I ever knew. A friend from the Army national Guard 1LT Jaloway was my Intel officer. Many good times were to follow over the next 40 years. My best to you Donna ...call me if I can help
