“ *My deepest sympathy to Jack and family. I lost one of my dearest friends. I have so many memories of Sue I wouldn't know where to begin. Just a few years ago, she gave me her copy of a poem I had written as a teenager when the family left St Andrew's Episcopal Church in Camden, NJ to move to Bloomfield, NJ. Ironically. the title of the poem was "It's Never Good-bye, it's Only So-Long." I feel that exact emotion now....until we meet again Sue, it's never good-bye, it's only so-long. Jack was probably there to greet you in heaven....he really did love to make you laugh. Of course, your laughter was contagious. RIP Sue. I love you..*

“ *I couldn't resist sending this special lady a bouquet for her final journey. My favorite memory of Sue, was sharing a seat on a bale of hay by the stable, having a cigarette and a delightful conversation! So many thanks for loving our daughter and sharing IV and Anna with us. A note to Jack : Words cannot convey what we have to say.
