

Tenea Renee Armenti

August 25, 2025

In Loving Memory of Tenea Renee Armenti August 9, 1975 – August 25, 2025

“Life is short but sweet for certain.” — Dave Matthews

It is with deep sorrow that we announce the passing of Tenea Renee Armenti, who left this world on August 25, 2025. She was surrounded by her beloved family and friends. Born on August 9, 1975, Tenea lived a life full of warmth, laughter, and unwavering devotion to those she held dear.

Tenea was, in every sense, a mighty force in a tiny package. She didn't tiptoe through life—she charged through it with strength, humor, and a heart so full of love it flowed as freely as the food and wine at her kitchen island. She lived entirely on her own terms and wouldn't have had it any other way. Nor would any of her family or friends. Fiercely independent, boundlessly generous, and unforgettable in every way, she turned her kitchen into a sanctuary where meals became memories and strangers became family.

She had a wicked sense of humor that could light up any room, and a love for long, winding conversations that could stretch into the night. Politics? She welcomed a good debate with insight, conviction, and a twinkle in her eye. Loyal to a fault, Tenea would do anything for the people she loved—always putting others before herself with grace and grit.

Her soulmate was her husband, Jeff. Their bond was deep, enduring, and full of laughter—a love built on friendship and joy. And above all, her daughter Grace was her world. Tenea's greatest joy, deepest love, and proudest legacy was being Grace's mother.

Music was her heartbeat, and Dave Matthews was her soundtrack. Whether dancing in the kitchen or singing along in the car, his lyrics echoed the rhythm of her soul. She found truth in his words—like “Troubles, they may come and go, but good times, they're the gold”—and lived by them. She didn't just exist—she lived. She created moments, sparked laughter, and left behind a trail of stories that will be told for years to come.

Tenea's spirit lives on in every shared meal, every heartfelt conversation, and every heart she made feel at home.

A celebration of Tenea's life will be held on Sunday, September 14th from 4:00 PM to 8:00 PM at The Community House of Moorestown, 16 E Main St, Moorestown, NJ 08057.

In lieu of flowers, please consider donating to the Hemochromatosis Iron Disorders Institute at raredisease.org.

The Iron Disorders Institute (IDI) is a nonprofit resource center that provides information and educational materials about iron-related disorders and diseases. It encourages research, improves quality of life for patients, reduces health-care costs, and coordinates a broad range of services including support groups, networking, educational outreach, and patient advocacy.
