“ *And Now We Say Goodbye*

*Great sadness fills our hearts today  
as pipes and drums, in slow march play.  
A comrade's fallen by the way,  
And now we say goodbye.*

*This hero to the very end  
Was more than just a casual friend,  
Who would a stranger's life defend,  
And now we say goodbye*

*But we shall cherish, all our days,  
The character this life portrayed  
With sacrifice so freely made,  
And now we say goodbye.*

*The hand salute, o'er Stars and Stripes,  
And distant skirl of highland pipes,  
Give last farewell with hero's rights,  
And now we say goodbye.*

*While here on Earth, you gave your best.  
Now in the Master's arms you rest.  
T'is by your memory we are blessed.  
And now we say goodbye.*

“ I'm glad I had the opportunity to work with Terry at Lockheed Martin...he was a gentleman and a pleasure to work with and will be missed. It seemed every time he went south, he came back with grits for me because he knew how much I liked them. RIP Terry...Cris and Christian take care and God Bless you all.

“ Dear Chris & family,  
We were saddened to hear the news of Terry's death. I am sure these past few months have been difficult and a blessing. It is always a special blessing to be with someone up until their time of death.  
We have not known you long but enjoyed the commardarie at the FL Tampa Show and then at the Florida Grande despite being Monaco owners. Marty appreciated the connection w/Tan Son Nhaut AB & the Vietnam website. We were honored to share with another Vietnam Vet.  
May God bless you Chris as you begin another chapter in your life. May God bless Terry and may he now rest in peace.  
With heartfelt sorrow,

“ I was one of the nurses @ Primary Care of Moorestown where Terry was a patient. He was always so sweet & kind. Always with a smile. For awhile I had to call him every week about his lab test & he was always so nice & grateful. Honestly an honor to have the privilege of caring for him. Love you, Terry.

“ So sorry for your loss Cris. We will all miss Terry.

*Ron and Terry had their own bond ... at Dairy Queen! Some guys go have a beer but Ron and Terry would have a Blizzard! A great memory we will always remember to toast to when at DQ.*

*We enjoyed good times with you both and grieve at his loss. You are a strong woman we admire and hope you continue to travel and explore. Can't imagine how difficult it is to lose Terry but we hope you feel the love and support we send your way.*

“ TK and I go back to the 60s and have been military and civilian friends since. I'm old enough to know the circle of life but that doesn't help! We traveled all over Europe and first settled in Texas still working together at a Mercedes dealership. He got a better offer and was off to NJ to settle down - little did he settle as he met and married another that didn't want any grass growing under her feet. They traveled the Good Old US of A meeting numerous new friends - never forgetting old. May your travel to Heaven be quick and God bless your family!
