“ *I worked with Tommy at Weber's. We always had fun and would often go out after working 17 hours a day. I just found out that he died. How sad. He was one of the sweetest, funniest people I've ever known.*

“ *Tommy , We had so many good times working together...No matter what was going on each day , good & bad , you made us all laugh...You were one of most warm , caring, and compassionate people I have ever known...When we first met , I nicknamed you Tomette , and all these years , you were Tomette to me and always will be.*

Thank you for all of the wonderful memories you left behind.

Love you, Your Friend, Danny Liss
