“ *My vivacious uncle Tom, whom i will truly miss was a winderful influence in my life. Im forever grateful to have known him and spent precious time with him. In this time of sadness for all of us who have known him let us remember the good times and what he taught and brought to us all as a family man, an energetic an encouraging soul, and a person who could always cheer others up with his witty and fun sense of humor. I sincerely wish i had more time with him as Im sure all who knew him do. I recall nothing but positivity from this humble man who seemed to draw out the best in all of us. To Monica, Katya, and Alex as you know my family is thinking of you and are here for you in any way we can be. I know it was a difficult illness he didnt deserve. He provided us all comfort and care and I know you all did the same for him and we will all continue to do so for others in his memory. Thank you Tom for being the great person you were. We will always remember you.*

“ Dear Monica and Sascha and Katya -
Please know that my heart goes out to you and your dear families. I have always looked to Monica and Tom as a perfect American family. I have so admired your values as a model of goodness and caring for others. This has been such a hard time for all of you - the raw unfairness of Tom's illness. I pray that in time you may find comfort in knowing that Tom's life was one to be emulated.
With love,
Nancy Weaver Durka

“ Tom grew up in our hometown and the family attended my home church for many years. The last time I saw him was when Millersburg celebrated its Bicentennial in 2007. He and his wife watched the parade in front of our house. Our thoughts and prayers are with Monica, his children and brother Dan and sister "Penny". May your great memories of fun times over the years sustain you during this sad time and in the years to follow. He is now resting in peace so be comforted knowing that. Love, Shirley and Ken Romberger.
