“ *I am from Justin's online diabetes support group. That was a very touching story about how awesome his dad was, especially rescuing the cats. My dad also used to be an Asst. Chief for a volunteer fire dept. Justin's mom seems like a very dear person too.*

“ *I worked with tom at Monroe school district this last winter, it was a extra hard winter for people like us. It was twice as hard for tom. It was great getting to know and work with tom. I am keeping you all in my prayer's.

“ I worked with Tom over at monroe school district this year,
It was a rough winter and Tom was twice as busy as you the family
know.
You and him will be in my player's.
It was great to get to work with him and know him.
God Bless

“ I'm really sad to hear of Tom's passing and the loss of a dear brother, husband, father, and friend to so many. It's been a long time since I last saw Tom -- playing street hockey in the neighborhood as kids, in fact. But I will always remember him as fun, a great guy, and a "good egg" in the neighborhood. The kind of guy the younger guys would look up to. And now as a father, that's the kind of guy I would have liked my own kids to have grown up around... I have to smile as I read about Tom's life and the man he became and how he continued to be a fun and positive influence. I'm sorry I never got to meet the good man that my childhood friend became... My heartfelt condolences to the whole family in your time of loss.

“ Now has cracked a noble heart, Goodnite sweet prince, may flights of angels sing thee to thy rest... I will always remember my baby brother for his kind and gentle manner, his great sense of humor and his neverending love and commitment to his family and friends. We were truly blessed to have had Tom in our lives. He will always be in my thoughts and prayers...I love you Tom and may you rest in everlasting Peace. Love Joe

“ A man who built many of the fields at the HS and cared for them simply because he was a man who took to heart the success of all Moorestown HS athletes and coaches. This guy cared. What more can we ask of a person! RIP my friend, enjoy the "office" in the sky, "what a view", as you once said. You will be missed!
