“ Verna has been on my mind for two years, constantly .
I am sorry to hear of her passing .
I met her in 1982.we were on a vacation of sorts when we meet.
Everytime I hear the song"she's got Bette DAVIS EYES" I THINK
OF HER. SHE WOULD SINGING AT ME!
Due to my large eyes . I am sorry to not be able to laugh with her
again God bless.

“ I will always have a special place in my heart for Verna. My family was in a terrible place when I was in high school and she basically took me in, no questions asked. She helped my mother and brother as well. She was always kind, super witty and made me laugh regularly. She never judged me or made me feel like an outsider. I will never forget what she did for me all those years ago and will be forever grateful. I am so lucky that I got to talk to her last month. I was able to thank her and let her know how much she meant to me 40 years ago, and to this day. I will never forget her. Sending my love and condolences to the entire Riviello family. To Angela, my friend til the end. I am always here for you for anything, anytime, day or night. Love you always and I am so very sorry for your loss. God Bless you, Verna, and your entire family. “ My aunt Verna was a woman with a kind spirit. She babysat me when I was a little girl and I remember her energy and care for me. She always told me how smart I was. I am thankful that she had many good years. Rest peacefully Aunt Verna
