“ *Kit, I am so glad I got to know you. I enjoyed all the times we went shopping and visiting you. The stories you shared with me of your service to our country will always remain with me. I miss you but I know you are in a better place. Thank you for allowing me to come into your life and help you. Don't worry... I'll never pay more than \$12 for a bottle of wine (because you don't need to) and I won't pay less than \$12 for a bottle of wine (because it's not good)! I'll never look at Snickers bars or the orange (worms) cheese doodles the same! Your grocery list is engrained in my mind. Rest in peace. Laura*
