“ Our condolences to the entire Constantine Family. Dave, your passing is still unbelievable. I will never forget the times me you and RL fought over who would be the first to mop the floor or clean a bathroom in the firehouse every time we worked together. You helped me to get where I am today in so many ways. I can not express the gratitude I have for the things you taught me and all the help you gave me along the way when I moved to South Jersey. Your friendship meant a lot to me and many others. Rest easy my brother, you will be missed.

“ Dave's passing was a sad time for the entire community. So many memories-- from the '70 Chevelle to the Trans Am, working together on fire desk at central, Dave as a gifted volunteer EMT with Moorestown Squad in the 80's, and a top notch police officer in town, catching a few working fires with each others' companies, a few beers a few times, his deep voice joke delivery. I wish he had more time with us here. God bless Dave and the Constantine family.

“ *I was just a kid when I first met Dave. We got very familiar with one another over the years that he and my dad worked together. He was a genuinely good human being. I looked up to him, and I respected him. He was always kind and fair, and never held bias toward anybody. He touched a lot of people in a positive way and that doesn't happen on accident. Dave was a great man. I'm gonna miss him, but I'll never forget. Regards to the Constantine family and all who knew him. RIP Dave. Love ya buddy*
