“ *To the Emerson Family:*

So very sorry to hear the news of the loss of your patriarch. It was great to have the Emerson family on the corner of 2nd and Poplar when Billy and my brother Gerry became great friends You are such a wonderful family and were so supportive of mine in the tough times of my parents' illnesses, for which they were very grateful, and were always so fond of Skip and Annette, and, of course, Bill. Sending love and prayers to you in this difficult time and remembering the happy days on 2nd St.
