“ Bill and I graduated from Rutgers together and started our careers as two of the four law clerks in Atlantic County in 1975. He was an extremely nice man and, since I was also originally from Maryland, we enjoyed talking Maryland sports - particularly in the Terps basketball heyday. Tom Hagner

“ If there was a picture next to the word "Father" in every dictionary ever printed, it would be a picture of Bill Menges. He helped and stood beside many people during his lifetime and I will personally attest to that. During times of trouble and uncertainty, it was good to know that there was a man named William H. Menges there who you could count on. I only wish he could have been repaid tenfold during his time here with us. I love the Menges Family.
