“ *I am just now hearing this and am so saddened by the loss of this delightful man. I am the former Manager of Volunteer Services at Grounds For Sculpture and was so fortunate to have met him at a MLK Day Event at the Burlington County Library. I was working the table for the Volunteer Center of Burlington County when he stopped to inquire about volunteer opportunities. Immediately sensing what a great volunteer he would be, I selfishly convinced him to volunteer with us at Grounds For Sculpture. I never regretted it and often reflected on my good fortune that day. He was a wonderful volunteer and assisted so many guests at GFS. The world will miss him.*

“ I find myself in tears with this news, although I haven't seen Bill since he left the Community House. Our spiritual community The Center for Conscious Living meets at the Community House for our Sunday service, and in the past once a month on Friday evening. Bill was always a kind, smiling, resourceful, generous Presence, every time I saw him, for over 20 years. The Peace of God surrounds, uplifts and fills him now, I know, in his glorious next experience. May that peace fill the hearts of his family and friends at this time as well.

“ Dear family,

What a huge loss for your family and for our community. One small anecdote to share that shows Bill's kind nature:

I drove past your house one day and noticed a young lady pulled over by the side of the road. Not long after I stopped, Bill came out of your home and came right over to help. He was so willing to provide any assistance she needed.

It was just his nature to show kindness to friend or stranger.

Won't he be missed! Blessings to you each and all. Gayle Roberts Payne

“ *Mary Lou, it is so sad to read this news. I always looked forward to our quarterly lunches at Sal and Joe's with Tom Ford, Bill Wesolowski and myself. We served together for years on the Planning Board and he was a real mentor to me when I became the Chair. God bless him and the Newborg family.*

“ Mary Lou. Will always remember first time I met Bill. Asked him about his dental surgery? He looked so surprised. Told him Marie McMullen kept me informed about his life etc. We all had a good laugh 😊
